Transactions Processed by the *NEW* "Falls Church City DMV Select Office"

Save yourself time and a trip to the Tysons Corner DMV on Gallows Road!

(The Falls Church City DMV Select Office is open to anyone needing the DMV services listed below, not just Falls Church City residents!)

Vehicle Titles - originals (with or w/o a lien), substitutes, replacements, lien releases, and title name changes (i.e. the changing of information on title records; the adding/removing of a name)

Vehicle Registrations - originals, renewals, transfers, re-issues and ***the turning in of old license plates!*** (We can inactivate your vehicle in the DMV records, and if you have a vehicle registered in Falls Church City, we can also inactivate it in your Commissioner of Revenue records too!)

Regular, Special and Personalized License Plate Orders - (including on-site issuance of regular, motorcycle, permanent-trailer, truck, taxicab and local government use plates)

Dealer Title and Registration Transactions - (we quickly process new and used car dealer work)

Voter Registration Changes & Applications - (we accept voter registration information)

Driver Transcripts - vehicle & driver (helpful for those who apply for a job where a driver's transcript is needed, or if it's periodically submitted to, or checked by, an employer)

Handicapped Parking Placards & License Plates, Trip Permits & Overload Permits

Address changes - that don't involve the issuance of a new driver's license or ID card (to get your address changed, ***and*** have it appear on your license itself, you ***must*** go to a CSC)

Returned Checks - full or partial payments owed to the DMV can be paid here

► **What *CAN'T* be done at the Falls Church City DMV Select Office** - (issue a new driver's license, a license renewal, or photo ID cards, administer any tests or **add "new" drivers to the DMV system**, we're sorry, these must **all** be done at a **full-service** DMV Customer Service Center)
